The Contestant may walk in the parade, but those that walk will not be entered into the Best Ride-A-Long category.

Judging Criteria:

The contestants will be judged in two groups: Ages 0-1 and 2-4.

Judging will be scored with a point system 1-10 with 10 being the highest score.

Each contestant will walk/ride in front of the judges and audience. The contestant will be judged on beauty, personality, and best costume. The Ride-A-Long category will be the only category judged separately.

Judging is based on facial beauty, personality, outfit choice, expressions through smile, and over-all happiness according to judges. Judges will be allowed to talk to the child, if necessary, to determine score.

Best Ride-A-Long is determined by creativity, detail, and appearance – this category is optional. The Ride-A-Long must fit in front of our stage and should be pushed or pulled and tailored to fit in about 10' of space. The Ride-A-Long must be able to turn a sharp corner to come back around and allow the judges a second look.
